## **NATIONAL TEAM COACHES NATIONAL TEAM ASSISTANT COACHES NATIONAL TEAM MANAGERS**

10<sup>th</sup> September 2020

The Association upholds the principle that international participation is a very important factor in order to develop and improve upon the local game. Hence, The Malta Netball Association has opened up a call for the roles of national team coaches, assistant coaches as well as team managers for the national team in the U21 and Open Categories.

Interested personnel are to send a CV to the Secretary General specifically containing any coaching experience (in the case of coaches and assistant coaches) or managerial experience (in the case of team managers) that the individual holds. The same CV should also give a good background of the individual's sporting career and should also contain any other strengths which would make the applicant a good candidate for the role. In addition to this, any person who is willing to apply for the role of Coach or Assistant Coach with the U21 category shall also hold a valid First Aid Certificate.

The Association is looking for highly motivated individuals who are ready to invest time and energy in developing and strengthening the Maltese national teams. Such roles are not to be taken lightly and sheer dedication and responsibility are essential. For means of reference, the main roles and responsibilities of coaches, assistant coaches and team managers are outlined hereunder:

### **COACH:**

- Analyses individual and team performance
- Draws up daily training programmes
- Communicate effectively with athletes, the Committee, as well as any other member of the Maltese contingent
- Maintains efficient communication with National Team Physiotherapist and uptakes his/her suggestions
- Supervises, informs and advises athletes with every aspect of their career development
- Evaluates and records the athlete's performance and progress
- Directs assistant coaches
- Assists athletes in developing new skills
- Motivates athletes
